PROFESSIONAL SUMMARY

Product design candidate with hands-on internship experience across enterprise fintech and consumer mobile, skilled in the full product design cycle: user research, information architecture, wireframing, high-fidelity prototyping, and design system development. Brings a strong frontend foundation and a track record of cross-functional collaboration with product and engineering teams.

EDUCATION

New York University

BFA, Interactive Media Arts, Minor in Web Programming. GPA: 3.63/4.0.

New York, NY

Expected May 2028

EXPERIENCE

Product Design Intern

May 2026 – Aug 2026

PrimeRevenue

Atlanta, GA

- Designed 35 handoff-ready screens across 3 UI libraries for a core supplier onboarding redesign on a global enterprise fintech platform, covering modals and full-page layouts.
- Migrated and redesigned existing Adobe XD screens to Figma using PrimeRevenue Design System 2.0, contributing new UI components to maintain consistency across workflows.
- Collaborated cross-functionally with Product, Engineering, QA, and Design teams to validate solutions that were technically feasible and met client experience standards.
- Researched competitor platforms and industry design patterns to identify best practices and inform design decisions for the onboarding experience.

UX Design Intern

Jul 2025 – Jul 2025

N+P Innovation Design GmbH

Munich, Germany

- Designed a mobile airport application end-to-end from research to high-fidelity prototype, producing interaction flows aligned with modern iOS design systems.
- Structured information architecture and user journeys, creating wireframes in Figma and Miro to improve usability and navigation clarity.
- Delivered 11 high-fidelity screens across key user flows, bringing 2 to full production-ready standard through iterative prototyping and structured UX planning.

ACTIVITIES & LEADERSHIP

Introships Career Discovery Program

May 2026 – Jul 2026

Coca-Cola Sponsored Fellow

- Selected as 1 of 50 students nationwide for the Coke Fellows cohort, sponsored by The Coca-Cola Company, with programming focused on mentorship, leadership development, and career readiness.

Kappa Sigma Fraternity, NYU

Dec 2025 – May 2026

Director of Philanthropy

- Led semester-long fundraising efforts, raising over \$5,000 for the B+ Foundation supporting families facing childhood cancer. Organized community service events in partnership with other on-campus organizations.

CERTIFICATIONS

- IBM Enterprise Design Thinking Practitioner
- Adobe Certified Professional (Photoshop)

SKILLS

Design: UX Research, Interaction Design, Prototyping, Wireframing, Information Architecture, User Flows, Design Systems, Usability Testing, Responsive Design, Accessibility (WCAG), Design Sprints, A/B Testing

Tools: Figma, Adobe XD, Miro, Adobe Illustrator, Adobe Photoshop, Visual Studio Code

Frontend: HTML, CSS, JavaScript, p5.js

Programming: Python, C++

AI Tools: Figma AI, Uizard, Adobe Firefly, OpenArt, UX Pilot

Languages: German (Fluent), Turkish (Advanced)
